

Participant's application

I express the wish to take part in the conference

Surname _____

Name _____

Patronymic name _____

Academic degree _____

Academic rank _____

Position _____

Business telephone _____

Fax _____

E-mail _____

Organization _____

(Exact name according to the bank details)

Bank account details _____

(р/р, банк, МФО, ЄДРПОУ, tax registration certificate)

(Tax ID №)

The mailing address of organization _____

(according to the taxpayer certificate)

Hotel reservation needed

The section (indicate section number 1,2,3,4,5,6,7)

I would like to:

- make a report

- make a poster presentation

- participate in the conference

- participate in the conference remotely

Please send to the specified address the treaty and account for the transfer of the registration fee for participation in the International Scientific and Technical Conference IGG-2016

Signature _____ date _____

**Information about the report participation
(author and title)**

Requirements for the materials

1. The recommended amount of thesis 1-2 full pages with illustrations and for article - 9-15 pages.

1.2 Text typed in Microsoft Word on a sheet of A4 (210x297 mm), fields (mm): top - 20 lower - 20 left - 25 right - 10.

2. The **main text** is typed as follows:

2.1 Style "normal", typeface Times New Roman (Cyr), size 11, paragraph - 7.5 mm spacing 0.85.

2.2 The dialing order:

UDC (Times New Roman (Cyr), size 14, without paragraph, alignment - left).

Name (Arial (Cyr), size 14, bold, in words, without paragraph, alignment - center, top and bottom retreat 9pt).

Initials, name of the author (co-authors) (Times New Roman (Cyr), size 11, bold italic, without paragraph, alignment - center).

Organization, its full postal address, email address (Times New Roman (Cyr), size 11, italic, without paragraph, alignment - center, retreat below - 12pt).

2.3 Retreat in the text is not used except for units (subunits, and so on separated retreat "before" - 9pt, "after" - 6pt).

3. For typing **formulas** using the built-in Microsoft Office equation editor Equation. Styles: Text - Times New Roman (Cyr), Function - Times New Roman (Cyr), italic. For clarity, it is recommended to separate formula spaces from above below - 6 pt. Formula arranged so that they fit in the column width of 80 mm.

4. **Tables** should be written concisely and clearly. **Table title:** Times New Roman (Cyr), size 11, bold, without paragraph, alignment - center, from above and from below - 6 pt. Tables are arranged so that they fit in the column width of 80 mm or 165 mm.

5. **Illustrations** must be in raster (vector) format (BMP, TIF, JPG, GIF, CDR) and added as a separate file. Do not use **image editor MS WORD!** Illustrations such photos must be scanned at a resolution of at least 400 dpi or must be added the original. **Signature to illustration:** Times New Roman (Cyr), size 10, bold, without paragraph, alignment - center. **Inscription on the illustrations** performed headset Arial.

6. The author used literature provides general list at the end of abstracts (by request of the author).

7. For publication should follow the requirements of Article link: <http://rrngr.nung.edu.ua/content/vimogi-do-oformlennya-statej>

Ministry of Education and Science of
Ukraine

Geologists Association of Ukraine

**International Scientific and
Technical Conference**

**"Prospects for increasing the
resource base of oil and gas
energy"**

*dedicated to the 65th anniversary Geological
Prospecting faculty*

May 25-27, 2016
Ivano-Frankivsk

CONFERENCE SCIENTIFIC TOPICS

1. Prospecting and exploration of oil and gas, unconventional sources of hydrocarbons.
2. Industrial and prospecting geophysics, geoinformation systems.
3. Oil and gas industry (drilling, extraction and transportation of oil and gas).
4. General and regional geology of sedimentary basins.
5. Geological and economic evaluation and modeling of mineral deposits.
6. Hydrogeology, engineering geology, geoecology and environmental safety.
7. Current issues of oil and gas energy and staff training.

The conference invited scholars and experts from the academic, research and design institutes, universities, exploration, drilling, mining, gas and oil transport business, enterprises of oil and gas storage.

Venue: Ivano-Frankivsk National Technical University of Oil and Gas.

Organizing Committee Address: Ivano-Frankivsk National Technical University of Oil and Gas, Carpathian 15 str., Ivano-Frankivsk, 76019, Ukraine

Tel.: (+38 0342) 72-71-80

Mob. tel. +380665224062

Fax: (+38 03422) 4-21-39

E-mail: IGG_conf_2016@nung.edu.ua

Deadline:

Application for participation	– till 15.04.2016
Submission of abstracts	– till 25.04.2016
Fee payment	–till 10.05.2016

Working languages of the conference:

- Ukrainian;
- English;
- Polish;
- Russian.

Further information about the conference posted on the website: www.nung.edu.ua

Conference organizational committee

Academician of the NASU, prof. Kryzhanivskiy Y.I.
Rector, **Head of Orgcommittee;**

Assoc.Prof. Omelchenko V.G., Director of the Institute of Geology and Geophysics, **Deputy Chairman;**

Prof. Karpash O.M., vice-rector for scientific work;

Prof. Mandryk O.M., vice-rector for scientific and pedagogical work;

Prof. Fedoryshyn D.D., Chair of oil and gas geophysical department;

Prof. Homyn V.R., Chair of the foundations of geology and ecology department;

Assoc.Prof. Zderka T.V., p.d. Chair of geology and exploration of oil and gas fields department;

Assoc.Prof. Myhailiv I.R., Chair of economic geology department;

Assoc.Prof. Trubenko O.M., deputy director, assistant professor of geology and exploration of oil and gas fields department;

Assoc.Prof. Piatkoska I.O., assistant professor of oil and gas geophysical department.

Printed Materials

Prior to the conference will be published abstracts. Print materials should draw up due to the requirements. The best reports are designed according to the requirements of articles and recommended by sections and the organizing committee, will be published in professional journals IFNTUOG **for free.**

The registration fee covers the costs of organizing and publish working papers - **950.0 uan.**, For graduate students - **150.0 uan.** Distant participation - **200 uan.**

Regarding conditions **for young scientists**, representatives of the public sector - contact the organizing committee.

The cost of the registration fee includes: one set of conference materials, costs of organizing and holding the round table, dinners in the days of the conference.

In the registration fee for distance participation includes publication of abstracts in the collection of conference materials and the cost of sending collection.

Program and conference materials will be provided to participants at registration.

Accommodation participants are paid separately.

SPONSORS – please contact Orgcommittee for the conditions

CONFIRMED FOREIGN PARTICIPANTS

UST Mining and Metallurgy Academy
n.a.S.Staszica (Poland)

Technical University of Kosice (Slovakia)

Technical University of Ostrava
(Czech Republic)

Miskolc University (Hungary)

University of Oil and Gas
m. Ploiesti (Romania)

The activities of the conference

- Meeting departments "Geology of oil and gas" and "Geophysics" UOGA
- The round table devoted to the 65th anniversary Geological Prospecting faculty
- Presentation Association of Geologists Ukraine on the topic "Young geologists - future geological industry experts"
- Excursion

Bank details:

Recipient: Ivano-Frankivsk National Technical University of Oil and Gas

Code EDRPOU 02070855

Beneficiary's Bank: ДКСУ, МФО 820172

P/p 31259290204276 (for participants)

P/p 31259390104276 (for sponsors)

Certificate of taxpayer 12872203

Individual tax number 020708509155

ATTENTION! The payment order specifies "Conference IGG-2016" (cite name and initials of the participant or "Sponsorship" for sponsors).

The registration fee for participation in the International scientific conference can be made during registration.
