The Joint Operational Programme Romania-Ukraine 2014-2020 is financed by the European Union through the European Neighbourhood Instrument and co-financed by the participating countries in the Programme.

The European Union is made up of 27 Member States who have decided to gradually link together their know-how, resources and destinies. Together, during a period of enlargement of 50 years, they have built a zone of stability, democracy and sustainable development whilst maintaining cultural diversity, tolerance and individual freedoms. The European Union is committed to sharing its achievements and its values with countries and peoples beyond its borders.
