INSTITUTE OF ECONOMICS AND MANAGEMENT

International student research papers competition "Management, social and behavioral sciences in the implementation of the sustainable development principles"

According to the letter of the State Scientific Institution "Institute for Modernization of Educational Content" of the Ministry of Education and Science of Ukraine dated 14.11.2022 № 22.1/10-2647 on the basis of Ivano-Frankivsk National Technical University of Oil and Gas (IFNTUNG) in 2022/2023 academic year will be to hold the International competition of student research papers **"Management, social and behavioral sciences in the implementation of the principles of sustainable development "** by directions:

Social and behavioral sciences;

Management and administration.

Ivano-Frankivsk National Technical University of Oil and Gas asks you to support the initiative of holding the International Competition of Student Research Papers "Management, Social and Behavioral Sciences in the Implementation of the Principles of Sustainable Development" by direction. The co-organizers of the Competition are Polish National University, Taras Shevchenko Kyiv National University, Vadym Hetman Kyiv National University of Economics and foreign educational institutions: Krakow Mining and Metallurgical Academy (Krakow, Poland), Gdansk University of Technology (Gdansk, Poland), Economic Academy "D. A. Tsenov" (Svishtov, Bulgaria), Southeast European University (Tetovo, Macedonia), Ariel University (Ariel, Israel), ISMA University of Applied Sciences (Riga, Latvia), Košice Technical University (Kosice, Slovakia), Pomeranian Academy (Slupsk, Poland).

The purpose of the competition is to expand cooperation with foreign institutions of higher education, stimulate scientific activity of students, form a new worldview of future professionals, awareness of the need for change and transformation in the future to implement the principles of sustainable development at different levels of socio-economic systems.

The competition is held in two stages in accordance with the requirements for scientific work, which are defined in the "Regulations of the International competition of student research papers "Management, social and behavioral sciences in the implementation of the principles of sustainable development":

The first stage (**until March 01, 2023**) is the preparation of scientific papers in higher education institutions and their submission to Ivano-Frankivsk National Technical University of Oil and Gas.

Stage II:

- review of competitive works (**until April 10, 2023**);
- conducting the final scientific and practical conference - in a mixed format (**May 4-5, 2023**).

- Detailed information on the International competition of student research papers "Management, social and behavioral sciences in the implementation of the principles of sustainable development" is available on the IFNTUOG website (<https://nung.edu.ua/index.php/department/instytut-ekonomiky-ta-menedzhmentu/mizhnarodnyy-konkurs-studentskykh-naukovykh-robot>).

The competition is open to independently prepared by students scientific works (not more than two authors), which are priority, innovative or exploratory in nature within a certain area. Up to three scientific works from one institution of higher education can take part in the Competition. The abstract of the work and accompanying documents are submitted in national and English languages. Papers are submitted in the national and English languages and must meet the requirements of the "Regulations on the International competition of student research papers" Management, social and behavioral sciences in the implementation of sustainable development principles". Competitive works must be registered in the appropriate section in a certain direction on the IFNTUOG website.

Invitations to the conference will be sent in **April 2023**.

All costs associated with participation in the International Scientific and Practical Conference shall be borne by the institution of higher education, which is represented by the winning applicant.

Please submit your proposals for participation in commission no later than **December 20, 2022**.
