

Cooperation Agreement

between

Czech Technical University in Prague (Czech Republic)

and

Ivano-Frankivsk National Technical University of Oil and Gas (Ukraine)

Czech Technical University in Prague and Ivano-Frankivsk National Technical University of Oil and Gas enter into this Cooperation Agreement (hereinafter the Agreement) and establish a partnership based on the principle of mutual benefit and joint educational, scientific and cultural development.

This Agreement is aimed at the development of international cooperation in the field of education, scientific research, innovative developments, cultural exchanges and is focused on expanding international mutual understanding, as well as the developing and strengthening friendly relations between both Universities.

International cooperation includes the following directions:

1. Cooperation in the field of education, joint research activities, innovative technologies, cultural events.
2. Joint organization of conferences, seminars and scientific meetings.
3. Cultural exchanges.
4. Joint participation in international educational training, programs, projects, etc.
5. Possibilities of mutual consultations.
6. Participation of scientific-pedagogical and scientific workers, as well as students of both Universities in international educational and scientific programs and exchanges for the purpose of implementing academic mobility.
7. Other activities considered mutually beneficial.

For the implementation of the specific international program within the framework of this Agreement, an additional written Agreement on the details of its implementation should be concluded.

This Cooperation Agreement is entered into for five years period and may be terminated by either Party by notifying the other Party in writing form six months prior to the termination of the Agreement.

According to this Agreement, the Universities do not have any mutual financial obligations.

This Agreement shall enter into force upon signature by both parties.
