2026 року

Ivano-Frankivsk

Dear friends!

We invite you to participate in the International Conference "Youth Eco-Geo-Forum – 2026", which will be held at the Ivano-Frankivsk National Technical University of Oil and Gas, at the Faculty of Natural Sciences https://salo.li/d13C339.
Pupils, students, and postgraduate students of educational institutions are invited to participate.

Form of instruction - blended format :
November 5, 2026: students in grades 9–11;
November 6, 2026: students and postgraduate students.

An online thematic drawing contestis planned as a part of the conference for students in grades 5–8 :
– Environmental problems of the native land; environmental problems and consequences of the war in Ukraine (Section 1);
– The Earth's place in space; the Earth's internal structure; the Earth's landscape forms; crystals of known minerals; the geological structure of Ukraine's subsoil; rocks; mineral and raw material resources (Section 2);
– Technologies of the future for a clean environment; occupational safety (Section 3).

CONFERENCE PROGRAM

November 5, 2026 (students in grades 9–11):

- **10:00-10:30** - Registration of participants in **classroom 5101** / via the link by sections
- **10:30-11:00** - Plenary session, **classroom 5101** / https://meet.google.com/vcw-kzbo-szt
- **11:15-13:00** - Work of the auditorium sections in **crassrooms 5105/5304/0300** /by link by sections
- **13:00-13:30** - Tea/coffee break, **classroom 5105**
- **13:30-14:00** - Tour of the Geological Museum of IFNTUOG
- **14:15-15:00** - Tour of the specialized departments according to the conference topics
- **15:10** - Awarding the winners, presenting certificates, Raffle of valuable gifts in **classroom 5101**

Thematic drawing contest for students in grades 5–8:

- **10:00-10:30** -Registration of participants in **classroom 5101**
- **10:30-11:00** - Plenary session, **classroom 5101**
- **11:15-13:00** - The activity "Researcher's Day"
- **13:00-13:30** - Tea/juice break, **classroom 5105**
- **13:40** - Awarding the winners, presenting certificates, Raffle of valuable gifts in **classroom 5105**

November 5–6, 2026: Exhibition of Thematic Drawings in the Hall of Building 5

November 6, 2026 (students and postgraduate students):

- **10:00-10:30** - Registration of participants (via the link by sections)
- **10:30-11:00** - Plenary **session, 5101** / https://meet.google.com/vcw-kzbo-szt
- **11:15-12:00** - Work of the auditorium sections in **crassrooms 5105/5304/0300** /by link by sections
- **12:30** - Awarding the winners, presenting certificates, Raffle of valuable gifts in **classroom 5101**

DIRECTIONS OF ACTIVITY

1 Section 1 – Ecology and Environmental Protection

– modern environmental problems of humanity;
– environmental problems of cities;
– pollution of the atmosphere, hydrosphere, and soils;
– the problem of environmental pollution by waste;
– protection of flora and fauna;
– human ecology;
– Green energy

Classroom 5105 or
https://meet.google.com/vcw-kzbo-szt

Head of the Section: Professor of the Department of Ecology, Doctor of Technical Sciences
Oleh Mandryk

Secretary of the Section: Associate Professor of the Department of Ecology, Candidate of Technical Sciences
Kateryna Sysak
+38 (066) 64 62 599, e-mail: kateryna.radlovska@nung.edu.ua

2 Section 2 – Earth Sciences

– Geological structure of the regions of Ukraine;
– Mineral resources of the regions of Ukraine;
– Geological processes and the importance of researching them;
– Minerals and their use in everyday life and industry;
– Rocks and their use in everyday life and industry;
– Oil and gas: from the subsoils of the Earth to the consumer;
– Groundwater: its characteristics and use.

Classroom 5304 or
https://meet.google.com/hoq-qzod-xni

Head of the Section: Associate Professor of the Geology and Exploration of Oil and Gas Fields Department, Candidate of Geological Sciences
Valerii Omelchenko
+38 (050) 373 36 87, e-mail:ovgeo@nung.edu.ua

Secretary of the Section: Associate Professor of the Department of Oil and Gas Geophysics, Candidate of Geological Sciences,
Svitlana Rozlovska
+38 (097) 557 76 75

3 Section 3 – Environmental Protection and Occupational Safety Technologies

– Innovative water purification technologies;
– Sustainable urban development: green technologies in urbanization;
– Environmentally friendly materials in construction;
– waste management technologies;
– Occupational safety in the context of climate change;
– Environmental initiatives in industry;
– technologies for monitoring air quality;
– Environmental education and awareness among young people;
– Adaptation to climate change through technology;
– Cybersecurity technology for environmental protection.

Classroom 0300 or
https://meet.google.com/hkh-mdsv-edk

Head of the Section: Professor of the Department of Environmental Protection and Occupational Safety Technologies at IFNTUOG, Doctor of Technical Sciences
Teodozia Yatsyshyn

Secretary of the Section: Associate Professor of the Department of Environmental Protection and Occupational Safety Technologies at IFNTUOG, Ph.D. in Biology
Halyna Lialiuk-Viter
+38 (097) 378 75 47, e-mail: lialyukgd1@gmail.com

Conditions for participation in the Eco-Geo Forum:

fill out the registration form by **November 2, 2026,** via link : **https://surl.li/jergrg**
attaching the following:

Abstracts;

– Thematic drawing: high-quality scanned copies or photos.

Based on the materials of the Conference, an electronic collection of abstracts will be published and posted on the university's website (Faculty of Natural Sciences)
https://salo.li/d13C339

Languages of the conference: Ukrainian, English, Polish.

Requirements for the preparation of materials

https://surli.cc/erpyvn

1. 1. The total length of the abstract should be 1–2 full pages. Page format: A4, portrait orientation, page settings: left margin – 25 mm, other margins – 20 mm. Editor: Word, Times New Roman font, font size – 12, line spacing – 1.0, paragraph indentation – 1 cm, with alignment. Tables, illustrations, and formulas are to be inserted within the text.

2. 2. File name and format:
− for report abstracts: Surname Name.doc or ×.docx;
− for a thematic image: Surname Name.gif or ×.jpg, or ×.pdf.

ASSESSMENT STRUCTURE

Criteria	Content of Assessment
Abstracts of the report	Relevance, significance of the work, completeness of topic coverage, level of work performance, compliance of formatting with the requirements
Report	Mastery of the material, independence and personal contribution of the author, speech culture, meaningfulness of answers to questions
Presentation of the work	Availability of presentation materials, their accessibility to the audience, and the completeness of information

Based on the results of the presentations at the section meetings and the results of the thematic drawing competition, the winners (1st, 2nd, and 3rd places) will be determined in each section.

Based on the results of the conference, everyone receives a participant's certificate.
